

Real people.  
Real insights.  
Real time.

**Preview your case with JuryLive® to gain priceless, trial-winning insight.**

JuryLive® is an online, real-time tool that lets you see how a potential jury from your venue reacts to your case for a fraction of the time and cost associated with convening a traditional mock trial.

Assess the strengths and vulnerabilities of your case using our pool of **3 million+** surrogate jurors from venues across the country.

- Gain insight into early risk assessment
- Test your strategy before you are in court
- Gauge jurors' reactions and see what resonates
- See how surrogate jurors argue the pros and cons of your case

**DecisionQuest®**

## Litigate? Settle? Under what terms?

JuryLive® helps you formulate positioning and determine when to settle by letting you watch surrogate jurors from your venue respond to your case, deliberate and reach a verdict - all from the comfort of their home and your office. Using secure video teleconferencing technologies, watch what happens live so you can see spontaneous reactions from opening arguments to final deliberation.

### Test key elements of your case:

- Arguments and strategies
- Opening and closing statements
- Trial graphics and exhibits
- Evidence and testimony
- Witness credibility

### Proven research skills. Online innovation.

JuryLive® consultants are the same highly-trained jury consultants who conduct traditional mock trial research. You can trust them to help you prepare your case and tease insight from your online jury.
