

Joe Simons

DIRECTOR OF OPERATIONS, TRIAL TECHNOLOGY

NATIONAL

jsimons@decisionquest.com

Joe Simons is a Trial Technology Specialist with DecisionQuest. He works closely with clients to recommend the most effective presentation strategies for their trials, mediations and arbitrations. With over two decades of experience in multiple facets of trial preparation and presentation, Joe has consulted on hundreds of cases.

Prior to joining DecisionQuest, Joe served as an independent trial presentation consultant as well as a consultant and analyst for a national litigation consulting firm. There, he specialized in graphics and technology project management, video production, client training and support in addition to courtroom presentation. He also has an extensive background in operations management with national and multinational companies.
